EITC is a federal tax refund for low-to-moderate-income individuals and families that meet certain eligibility requirements.

The EITC is not a City of Philadelphia program, but because it offers refunds for so many Philadelphians, the City is helping to raise awareness.

Four out of five people who could receive a refund did not apply for it. Over \$100 million is left on the table every year. It's worthwhile to apply—**the average refund is about \$2,200**. If this is your first time filing for EITC, you can get refunds for previous tax years.
